

SSA Presentation to Celebrate the Stags 3,000th League Match

SSA presented a trophy to mark the Stags 3,000th League game, which was at Notts County on Saturday 5th February 2005. Sadly Notts County did not grant permission for the presentation to take place at Meadow Lane, therefore, the presentation took place the following Tuesday night when the Stags met Swansea City, the club's 3,001st league match!! Pictured below are members from the SSA Committee along with Stags keeper Kevin Pilkington and Captain Alex-John Baptiste who accepted the trophy on behalf of the club.
