

ALEX AND DANIEL WIN SSA END OF SEASON AWARDS

Alex Neil has won the Stags Supporters Association Player of the Year. Alex, in his first season at the club, has impressed everyone with his high energy displays in a wide variety of positions. After being told he was surplus to requirements when Carlton Palmer took over, Alex has performed superbly and has forced the manager into a u-turn with the offer of a new contract which all supporters hope Alex signs.

In second place was local youngster Alex-John Baptiste who seems to go on from strength to strength and this season was made team captain. In third place was Kevin Pilkington who's consistency this season have made him one of the most reliable keepers in the lower divisions. The Jack Retter Trophy, awarded to the Stags outstanding youth team player of the season, was awarded to Daniel Sleath.

In other awards Alex Neil also won Player of the Year for Chad readers and from our friends at Follow the Yellow Brick Road. Alex-John Baptiste received Player of the Year from the Ollerton Stags Supporters Club.
